

What's all this about... **SCRIP** ?

Welcome! This is an invitation for you to participate in our SFX Home & School fund raising program AND family savings program, that is of no extra cost to you, just a *little* advance planning in your regular shopping routine! We sell gift cards for your use, as well as online-virtual cards that you access through your smart phone or home computer.

We purchase gift cards from Great Lakes Scrip Center at varying percentage discounts, from 1%-15%. We are then able to sell the cards at face value, earning money back. 50% of the money earned goes right back to you, as a credit toward your school fees next fall, and 50% is given to Home & School to help fund school events and activities.

Some families use Scrip often--groceries, gasoline, home necessities, etc. and it adds up over time! Keep Scrip in mind when large purchases are necessary, too--washing machine, new computer, lawn mower, etc.--these add up even faster! Last year, families earned from \$10-\$350 back at SFX! *Invite family and friends to participate and add to your family earnings as well!*

HOW TO BUY SCRIP GIFT CARDS:

1. **Complete the Order form, include your payment, and send to school with your child marked **SCRIP**.** Your order may be processed and sent back that day--but no later than the Friday of that week (*unless a special order is required.*) *Ms. Patti fills Scrip orders when she can--otherwise Scrip team fills orders on Fridays. (forms are available at our SFX School website)*
2. **Email your order to sfxscrip@gmail.com.** We will fill your orders by Friday--payment must be received before orders are sent home with students.
3. **Shop after weekend masses!** We sell after masses the first and 3rd weekends of the month, and every weekend leading up to Christmas. We carry several cards in stock and can send them home to you daily, or by Fridays. Even more cards are available for special order.
4. **Order online!** It is necessary to enroll with our SFX School online:

Simply go to the website: www.shopwithscrip

Click on the top button: **How to Enroll**

Click on: **Join An Existing Program**

Use our SFX enrollment code: **Email us for code! sfxscrip@gmail.com**

To finish your registration process, it will require email, password, etc. Once you are enrolled, you can start shopping right away. Cards can be sent home once we receive your check or cash payment. If you'd like to use **PrestoPay**, you can make payments directly from your bank account online. You will follow the steps to activate this process (including your bank account information.) You will then have to wait for confirmation from your bank. Once this has been completed, simply forward the email notification to us at sfxscrip@gmail.com, and our Scrip Team will verify your enrollment, and you can start shopping and paying online! **You can also use your smart phone at checkout at many stores as well!**

We are excited for you to save money...and earn money for SFX School activities with Scrip! Please feel free to contact us with any questions!
