**16<sup>th</sup> Sunday in Ordinary Time:** Patience is rooted in Hope (an image of a bush filled with birds would be great) Life, like the church, is often burdened with evil, smallness, and impurities. The Lord's parables give us a hope-filled perspective on all three.

**Evil:** in Jesus' parable about the good farmer whose enemy plants weeds at night, Jesus tells us that God is not the cause of evil but permits evil to exist with good out of his patient love. He *will* finally deal with it, but his love lets things stay messy for a time.

**Smallness:** It's funny that Jesus says his kingdom looks like ... wait for it ... a bush. What a letdown! Yet this little shrub still somehow has room for all the birds of the sky. The smallness of the Church, and even our own little lives, still provides plenty of room for all whom God sends.

**Impurities:** divisions and hypocrisies in the Church and our own hearts exasperate us. Recall that Jesus compares his kingdom to a lump of dough with impure leaven eating away at it and therefore making it expand. It's the secret of the Cross. Not how we'd prefer it. But finally, great news.

The field, the bush, the loaf: all three parables invite us to embrace a patience rooted in hope: one day the field will be weeded, the bush filled with birds, and the risen loaf leaven-free.

— Father John Muir ©LPI

## Prayer for Rain

O God, our Creator, you are the source of all life. It is through your divine providence and infinite power that the wonder and splendour of all creation surround us: "How majestic is your name in all the earth."

We pray to you who calms the raging waters and commands the wind, to provide us with sufficient rain to meet our needs.

During this time of drought, we are mindful of our dependence on you for all that sustains us, body and soul.

We pray for the cooling, gentle rain that will once again bring life to the fields and crops that feed us, restore the colourful rainbow of flowers and the shade of trees.

We also pray for all those who are suffering from other natural disasters. May they look to you for the strength to restore their lives and heal their wounded lands.

Help us to always be good stewards of your creation and care for the many resources of this earth.

May your grace refresh our souls.

We ask for these blessings through the intercession of Mary, Queen of Heaven and Earth.

Amen.

"Life is about saying yes to the things that help you become the-best-version-of-yourself and no to the things that don't. It is not more complicated than that."

We are looking for Parishioners to give a portion of their Time and Talent to assist in the building of our Church Ministers. Please pray on this because we are in need of some more help participating in our ministries at church, such as Eucharistic Minister,

Liturgical Minister, Usher, and Musician. You do not have to do it every weekend and Lisa will work around your schedule. We have scheduled a training for **Aug. 23** for all minister's (new & returning). **The breakdown is as follows; Ushers (6-6:30p.m.), Lectors (6:45-7:15p.m.), and Eucharistic Minister (7:30-8p.m.). You can participate in more than one training.**

Commissioning for all Eucharistic Ministers will take place the weekend of **Sept. 16 & 17**. Please encourage friends and family to consider taking part in these ministries. Contact Laurie at the parish office if you're interested (573-395-4401).

Summer is in full bloom! As we enjoy the blossoms in summer-

time, may we reflect on the garden of our Faith with its many blessings. Cultivating a beautiful garden takes some time and effort. Likewise, tending to the gardens our Faith will be enriched by tuning in often to Covenant Network Catholic radio. Our programming, which includes daily Holy Mass, the Rosary, the Divine Mercy Chaplet, live call-in shows and much more, will help nourish the garden of your Faith. Listen to FM 88.1 or on the Covenant Network app or anytime at [OurCatholicRadio.org](http://OurCatholicRadio.org).

#### A Message from Father Matt:

This hybrid approach to the Living Flame program makes it possible for the contemplative community around the state of MO to participate and bond in Spirit, while the presenter and program are being zoomed into in-person group meetings or individuals homes ... all of which now makes this program very practical, flexible and affordable.

*I think the Living Flame Program is a masterful offering for those who are seriously drawn to a life of contemplation ... that, and the daily practice of CP.*
