## Prayer for Rain

O God, our Creator, you are the source of all life. It is through your divine providence and infinite power that the wonder and splendour of all creation surround us: "How majestic is your name in all the earth."

We pray to you who calms the raging waters and commands the wind, to provide us with sufficient rain to meet our needs.

During this time of drought, we are mindful of our dependence on you for all that sustains us, body and soul.

We pray for the cooling, gentle rain that will once again bring life to the fields and crops that feed us, restore the colourful rainbow of flowers and the shade of trees.

We also pray for all those who are suffering from other natural disasters. May they look to you for the strength to restore their lives and heal their wounded lands.

Help us to always be good stewards of your creation and care for the many resources of this earth.

May your grace refresh our souls.

We ask for these blessings through the intercession of Mary, Queen of Heaven and Earth.

Amen.

## HONORING OUR PAST

### A MOMENT IN ST. FRANCIS XAVIER PARISH HISTORY The Pastorate of the Rev. Bernard Mers 1949 - 1961

- Father Mers was born in St. Louis and ordained on June 10, 1933 at St. Louis Cathedral. He gives credit to Fr. Francis X. Brand who was born in Taos and ordained in 1885. He was the pastor at St. Aloysius Church in St. Louis at the time Fr. Mers was a young boy. Fr. Brand encouraged and guided him which led him to become a priest.
- Father Mers' first assignment was as an assistant under Msgr. John Pleus at Immaculate Conception Parish in Jefferson City. He served there for 8 years. Msgr. Pleus was also a Taos native and was ordained in 1899.
- So it seems Fr. Mers was destined to minister to the people at Taos after being around two well-known priests who knew so much about SFX Parish!
- Before coming to SFX parish, however he was sent to be the assistant pastor at St. Boniface Church in St. Louis under Fr. Reker. (Fr. Reker became the pastor of SFX from 1942 - 1949.) Fr. Mers had other plans!
- In 1942, Fr. Mers was compelled to serve his country in WWII. He enlisted and became a Navy Captain until the end of the war.
- After returning to civilian life, Fr. Mers spent 18 months as pastor of St. Louis Church in Bonnots Mill. Then finally, he was assigned to SFX parish taking the place of his friend Fr. Reker. A parish he had heard so much about from Fr. Brand and Msgr. Pleus.
- Father Mers served as pastor of SFX from 1949-1961. Below is a list of his accomplishments during those years:
  - \*An addition of bathrooms, stairwells, and a teachers' lounge was made to the school in 1950.
  - \*In 1952, he steered the transition of the grade school from public back to parochial. (Fr. Ebert saw the advantage to having SFX School become public in 1935 because of the depression gripping the area.)
  - \*A side entrance to the church was also added in 1952.
  - \*In 1955 restoration and redecoration of the church took place. The parish raised \$72,000 to accomplish this.
  - \*A badly needed convent (which is now the parish office) was finally built in 1958 from money bequeathed by a parishioner, Henry Brenneke.
  - \*The Statue of Our Lady, Patron of the Missions was erected in the side church yard in memory of Henry Brenneke (1874-1956).
  - \*Also during Fr. Mers pastorate, the playground was graded down and the retaining wall was built.
- Father Mers was transferred to a different parish in 1949. He was well-liked by the people of the parish and they were sad to see him leave.
- He died April 8, 1984.

#### A Message from Father Matt:

This hybrid approach to the Living Flame program makes it possible for the contemplative community around the state of MO to participate and bond in Spirit, while the presenter and program are being zoomed into in-person group meetings or individuals homes ... all of which now makes this program very practical, flexible and affordable.

*I think the Living Flame Program is a masterful offering for those who are seriously drawn to a life of contemplation ... that, and the daily practice of CP.*
