Planning Study FAQ

Over the past two weeks, every parish family should have received information about the planning study for our proposed projects along with a survey requesting your opinions and input. Below are some frequently asked questions:

Q. What is the purpose of the planning study? Have the projects already been decided?

A. A planning study is an assessment used to gauge support for a capital campaign that would address some or all of the needs identified in the fact sheet. The study will tell us which projects you – our parishioners – believe are the most important and will help guide the direction of our parish and school now and in our future.

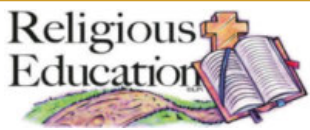

Funding these projects will require an extraordinary effort, and so we are considering a major capital campaign. The planning study will measure our ability to accomplish some or all of these projects and our ability to move forward with a capital campaign.

Q. What percentage of our total income from the campaign will be given to the diocese?

A. According to the stewardship guidelines of the diocese, the 10% stewardship title is modified for capital campaigns for expansion, restoration and beautification. Of the total amount raised, 95% of our campaign funds will remain in our parish, and 5% will be given to one of four charities, designated by Fr. Kelechi. The charities are: 1. Low-income parishes in our diocese; 2. Education of seminarians and priests; 3. Care for infirmed and retired priests; 4. Catholic Missions. The diocese will not retain any funds raised for our capital campaign.

Q. What do you expect of me?

A. At this time, we ask only for your feedback and your prayers. Please review the fact sheet detailing our projects and develop your thoughts and opinions about our church's needs and proposals. Your ideas, participation and support will help us make prudent decisions as we move forward.

Can miracles stand up to the test of science?

- Exclusive film footage of a stigmatist who bleeds from her hands, feet, and head. Are these the wounds of Christ? What does science have to say?
- A consecrated Communion Host becomes living flesh and blood. Is it heart tissue? What does science have to say?
- A scientist (former atheist), an attorney and a famous TV Journalist witness statue of Jesus weeping real tears and shedding real blood. Are these claims true? What does science have to say?

Healing Promises: The Essential Guide to the Sacred Heart

Giving Tree: All gifts purchased need to be wrapped with their ornament attached and returned to **Reker Hall by 8 p.m. Saturday, December 16th**. Thank you for your support of the adoption program. In some cases this may be the only Christmas they may have. If you have questions regarding the Giving Tree, please call Jane Haslag @ 690-6101 or Parish Office @ 395-4401.

HONORING OUR PAST

A MOMENT IN ST. FRANCIS XAVIER PARISH HISTORY

The Pastorate of Rev. William Flanagan 1970-1977

Father William Flanagan was born in Ireland and ordained to the priesthood in June 1964. He served as the associate pastor of several central Missouri parishes before he was assigned to our parish. These parishes included: St. Pius X - Moberly, St. Peters, Jefferson City, and SS Peter and Paul, Boonville. Below are some of the highlights that happened during Father Flanagan's time at SFX.

- A new Parish Council form of organization was initiated and took the place of the Board of Trustees.
- A principal's office was added to the school along with the continual upgrading of parish facilities.
- The newly formed Parish Council formed a committee to investigate the pros and cons of incorporating the City of Taos. With a lot of interest from the community, the City was incorporated and the first election took place on April 3, 1973.
- The first Parish Pictorial Directory was published in 1973.
- New doors were installed on the church which replaced the old wooden ones.
- The choir loft was raised, giving it an auditorium-like feel.
- In 1974, the interior of the church was repainted and the sanctuary was carpeted. The labor for these improvements was donated by the parishioners.
- Also in 1974, a celebration took place on Sept. 29th commemorating the centennial of Father Helias' death. A Centennial book was published, highlighting the life of our great founder and the history of our parish. A marble slab in memory of Fr. Helias was erected in the church yard. It was placed at this site because many believe that is where the church bell was located that Fr. Helias rang several times a day to pray the Angelus. When the 6pm bell didn't ring, on that fateful day, some parishioners went to check on him. They found him dead outside of his residence presumably on his way to ring the bell. He died on August 11, 1874. This coming August will be the 150th anniversary of his death.
- A new gymnasium was erected in 1975, which was also constructed with volunteer help from our parishioners.
- A new Reconciliation room in the church was completed in 1976.
- The Parish took part in the Jefferson City Bicentennial Parade by entering a float sponsored by the CYO. The float depicted a replica of our first log church. The late Tom Verslues, a young teen at the time, posed as Fr. Helias.
- In July of 1977, Father Flanagan was transferred to SSPeter and Paul Church in Boonville. The priest stationed at Boonville became the new SFX pastor. His name was Father John Condit.
- Fr. Flanagan passed away in 2014 at the age of 83. We are grateful for this Irish born priest who served so selflessly in our diocese for 50 years.
