Cemetery News: The new Father Schmidt's monument has been set where the existing monument was located. On another note, in recent years, we have had a lot more cremations versus the traditional burial. With that in mind, we are entertaining the idea of purchasing a columbarium with 48 niches (the opening to place the urns). Each niche can hold 2 urns for a total of 96 cremation urns. Since we opened the new section in the cemetery less than a year ago, we have had eight burials and 20 more plots reserved. Each burial plot requires 50 square feet. The columbarium unit could save over 5,000 square feet of cemetery land. It is made of grey granite with black granite niche access doors. This columbarium unit will run approximately \$30,000. The cost per unit has not been determined at this time but will be less than a burial plot with engraved tombstone.

Please consider a memorial to the St. Francis Xavier Cemetery Fund if your family has a loved one pass. If you have any questions regarding columbarium's or other cemetery issues, please contact Kenny Borgmeyer at 573-659-0791.

PUZZLE

Find your way from Jesus to the cup.

MISSION

Using the concordance found at the back of your Bible, look up the word "Passover." As a family, write down the verses, find them in your Bible, and read them out loud. Sometimes Jesus is referred to as the Lamb of God, or the Lamb sacrificed for our sins. Talk about how Jesus took our sins away when he died on the cross.
