22nd Sunday in Ordinary Time: Purity isn't popular at the moment. Or is it? Look at a rack of health magazines or at popular podcasts. You'll see an infinite ocean of regulations and rituals of diets, intermittent fasting, morning sun rituals, intense juice detox practices, lists of dangerous foods, mental practices, as well as long lists of dos and don'ts for the proper cleaning of clothes, dishes, cars, houses, pets, and children. Like it or not, we long to be pure, clean, and without blemish.

This question of purity haunted people in Jesus' day, too. The Pharisees and scribes (the leading purity authorities of the day) criticize Jesus, asking, "**Why do your disciples not live according to the tradition of the elders, but eat with defiled hands?**" (Mark 7:5). Jesus responds by saying, "**There is nothing outside the person that can defile him if it goes into him; but the things that come out of the person are what defile the person**" (Mark 7:15). What does he mean, and how can it help us be pure?

We've probably all heard the somewhat shopworn interpretation that Jesus replaces the ritual, exterior notion of purity with a moral, interior one. Christianity is thus seen as a kind of moral re-tooling, as if religion doesn't make us pure. Good moral intentions do. But this doesn't take the rest of Jesus' ministry seriously enough, nor our obsession with purity. The better reading is that Jesus audaciously offers himself as the ultimate source of human purity — from *within* each human heart. Both our religious ritual practices and our moral actions are meant to flow from this encounter with Jesus the Lord. When we are in friendship with him, everything becomes pure for us. — *Father John Muir* ©LPi

OCIA, formally RCIA will start this fall. If you or someone you know is interested in learning about our Catholic Faith, we would love to have you come and explore with us. Registration forms are available on our website or at the "church" entrance to school.

OCIA SPONSORS

We are looking for sponsors for our OCIA. Each OCIA inquirer should be given a sponsor from the parish to walk with them through the OCIA process. The sponsor is there to help the inquirer "become familiar with the practice of the Christian life." This person is not necessarily the godparent for Confirmation. If interested, please contact Cathy Singer at the parish office. We would love to have a mixture of married, single, parents, ages etc. to be able to offer the inquirer someone that will be comfortable with.

Please join us for an informational meeting on Monday, September 23rd @ 7 p.m. in the Commons Room at School

JEFFERSON CITY, MO - **Amendment 3**, which will appear on **Missouri's November 2024 ballot**, is an extreme constitutional amendment that legalizes abortion at any stage of pregnancy with no protections for the preborn child, even when the child is capable of feeling pain. The amendment would effectively repeal long-standing health and safety standards for women. These include basic health and safety requirements for clinics where abortions are performed, requiring a physician to perform abortions, informed consent requirements, laws prohibiting public funding of abortion, and parental consent requirements before a minor's abortion.
